About Us

VPAG – Video Photographers Association of Gujarat a name well known in the field of Photography. The Association was formed in 2004 Oct. by leading photographers of Ahmedabad with a motive of social responsibility for the fraternity. One of the only Registered Association under Charity Commissioner of Gujarat & one of the few Association of India which is registered. With a strength of more then 750 odd life members all from the field of Photography & Videography.

The Association has been a benchmark for creating the best of the workshops for its members by conducting workshops & talk-shows of Senior & Renowned Photographers. Association also have tried to cover variety of subjects from basic photography, basic knowledge of camera, advance editing, marketing, videography, candid photography & videography, pre wedding shoot and much more.

Our Mission

Reach to the smallest of the person of the industry - Conduct more & more workshops and increase the knowledge of photographers & videographers - Make Gujarat the hub of Photography & Videography.

Why Gujarat ?

One of India's most progressive states, Gujarat has strong fundamentals, well planned infrastructure, business friendly policies, and superior governance with pragmatic policies. It includes entrepreneurial citizens, who think well ahead of time. The all-encompassing charm and warmth of the state has made it to be ranked as "No:1 for Economic Freedom' among other Indian states. Gujarat on the global platform is etched in all areas like political, social, cultural, academic etc.

With a goal to optimally utilize this robust base, the Aiff is planned to be organized in Gujarat making the trade fair a gateway to the Global & Golden hub of video and photography. Abundant and cost competitive business possibilities in India to meet and generate endless opportunities.

About The Fair

"Photography is a language and an art of human expression." Market for photography and photographic related accessories are getting bigger and better; in a global way. Advancements in technology have brought big and lucrative improvements in imaging tools. It is one of the most sought after; and commercially successful events in the imagine industry.

Keeping this in mind, we at VPAG are happy to announce the "All India Foto - Video Fair (AIFF) planned for execution August 20th 21st and 22nd 2016. The event gives one big opportunity to meet with thousands of professionals from Photo and Video field from across Gujarat and neighboring states including Rajasthan, Madhya Pradesh, Chhattisgarh, Maharashtra, South and North India. AIFF is a perfect platform to lunch new products, promotions, create, build and expand a successful network with the existing professionals from the industry.
